Milford Sound NZ's Most Instagrammed Place

“Pictures don’t quite do Milford Sound justice, but that’s not stopping people from trying,” writes Johnny Lieu in an article for [Mashable](#). Often referred to as the “eighth wonder of the world” the fjord on New Zealand’s South Island is the country’s most Instagrammed place in 2017.

“With its towering mountain peaks and cascading waterfalls, it’s a breathtakingly beautiful destination — although, really, there’s nothing quite like actually being there,” writes Lieu.

These are the Top Ten Most Instagrammed Places in NZ
